How to get here— Queens Medical Centre

The hospital can be found on the western side of the city of Nottingham. It is situated just on the east side (inside) of the Nottingham Ring Road at its junction with the A52 to Derby. The A52 crosses the M1 at junction 25.

Leave the M1 Motorway at Junction 25, and take the 'A52 to Nottingham', past Stapleford, Bramcote and Wollaton Park. As you pass the University on your right hand side you will come to a large traffic island with QMC on the right. Turn right here and take the first slip road on the left into the hospital grounds and continue along the hospital perimeter road.

QMC

We want to make your visit to and from hospital as comfortable and stress-free as possible. There is an excellent public transport service to QMC. Please use this if you can as parking is limited and you may experience difficulties and delays trying to park on site. You may wish to consider asking a friend or relative to drop you off.

For visitor car park on East Road please follow signs within the QMC campus.
